

KEENE TOWNSHIP SURVEY RESULTS 2024

Are you in favor or against commercial (utility scaled) SOLAR in Keene Township?

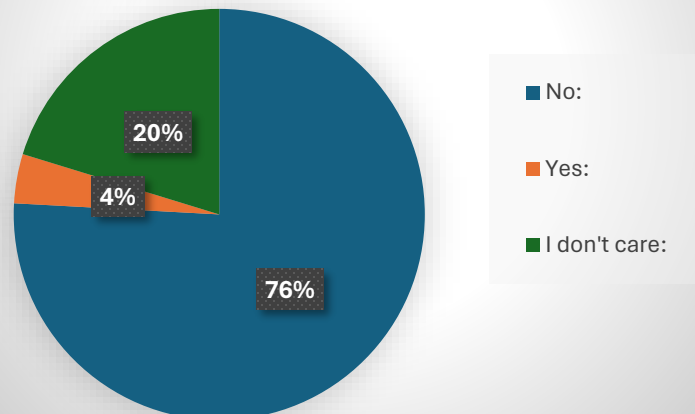

Are you in favor of or against commercial (utility scaled) WIND in Keene Township?

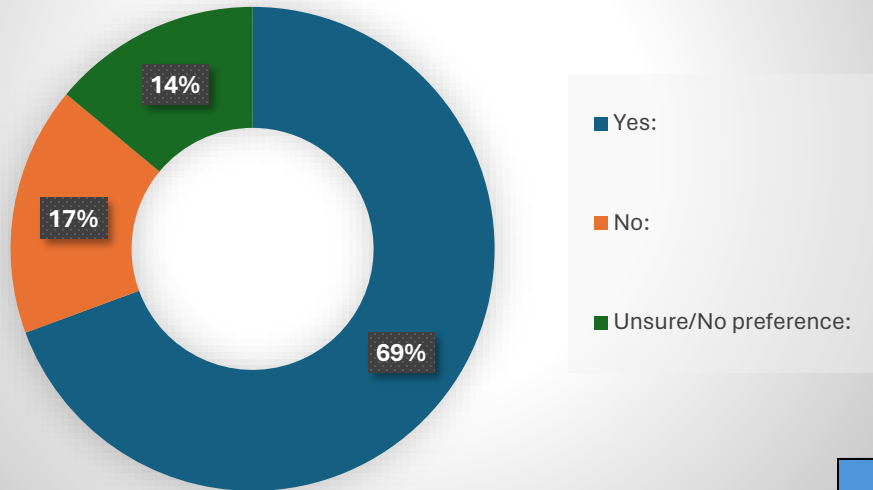

Most of the respondents AGAINST solar or wind mention the de-valuing of property, health/safety concerns and wildlife impact. Many mention the beauty of the Township and the negative impact that industrial equipment will have on the landscape. Respondents add that prime farmland should produce food.

Would you like commercial Solar Panels or Wind Turbines to be visible from your property?

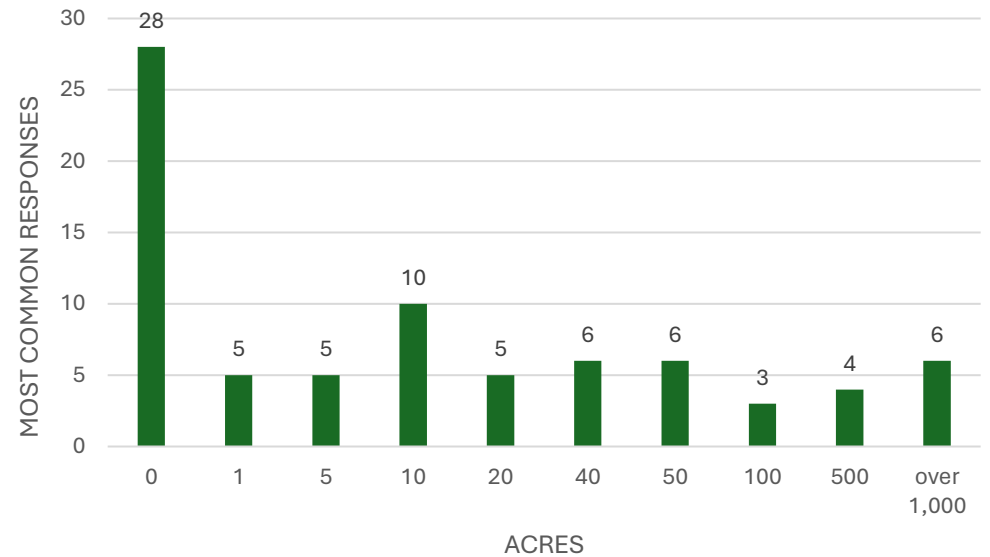

Most of the respondents IN FAVOR of solar or wind mentioned that property rights should be protected. Other comments stated a preference of renewable energy vs. housing developments and that farmers should have the ability to farm energy to be able to retire.

Should there be a maximum acreage amount (total acres) for each Solar/Wind project?

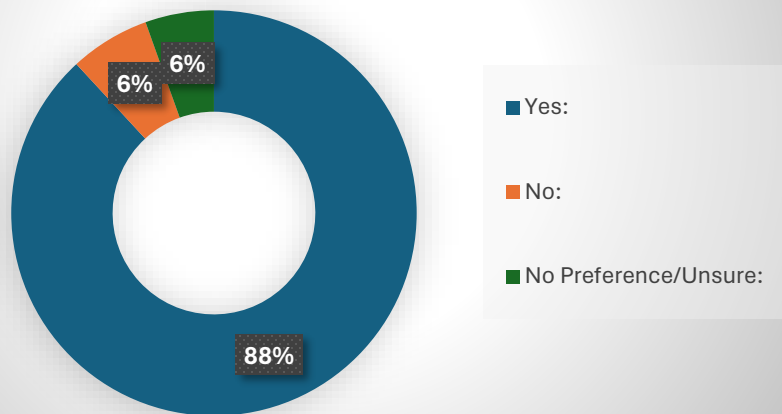

MOST COMMON RESPONSES FOR TOTAL ACRES OF SOLAR OR WIND PROJECTS

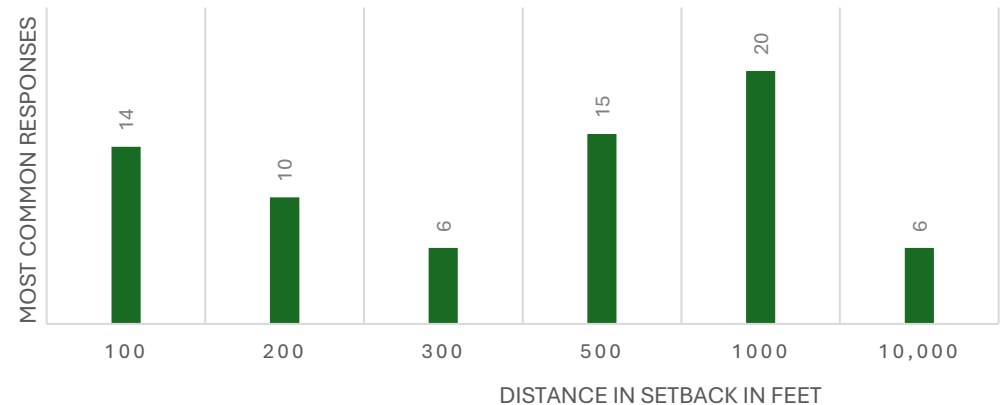

MANY RESPONDENTS LEFT THESE QUESTIONS BLANK AND MENTIONED THAT IT WAS A TRICK QUESTION BECAUSE THEY DON'T WANT IT AT ALL.

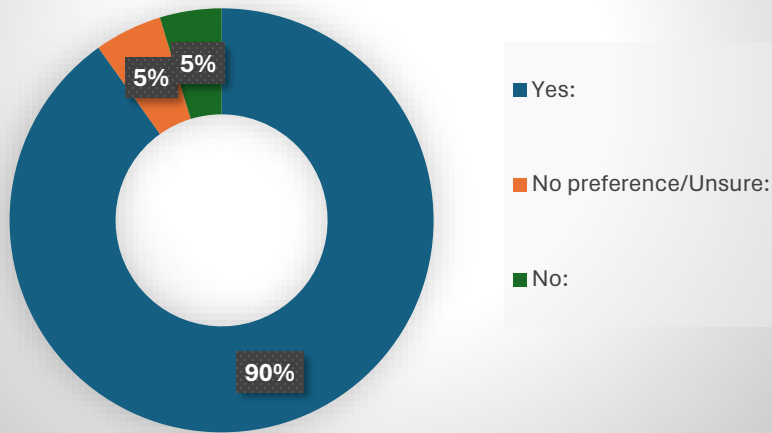

Should a minimum setback distance (in feet) from neighboring property lines be required for each Solar Panel?

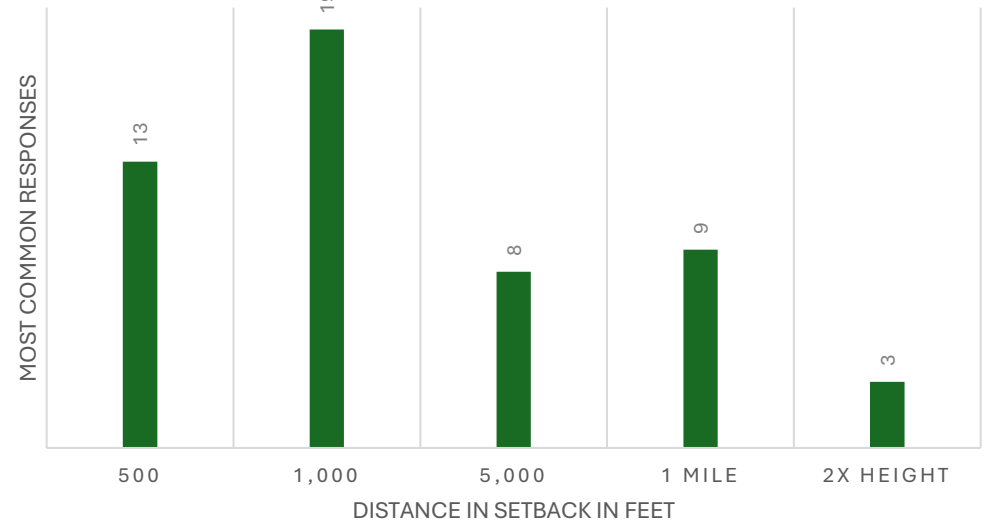

MOST COMMON RESPONSES FOR SETBACK FROM NEIGHBORING PROPERTIES FROM SOLAR PANELS

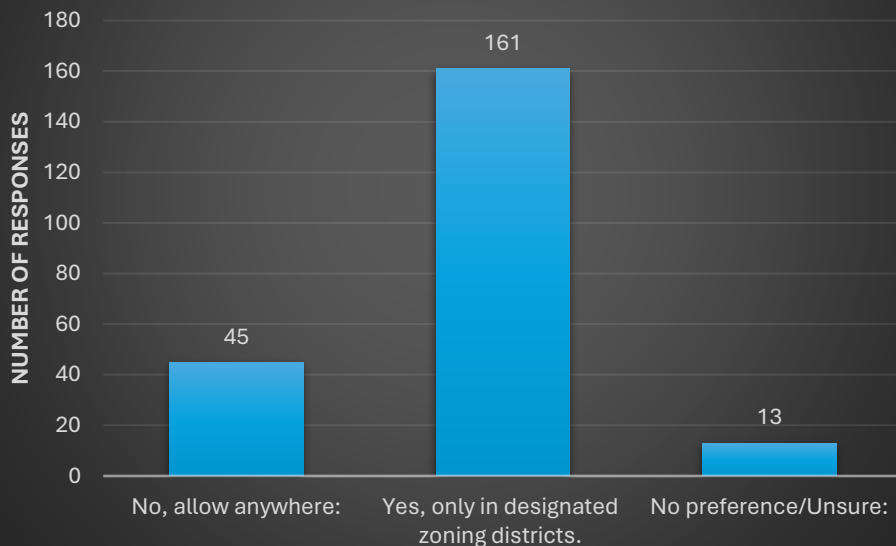

Should a minimum setback distance (in feet) from neighboring property line be required for each Wind Turbine?

MOST COMMON RESPONSES FOR SETBACK FROM NEIGHBORING PROPERTIES FOR WIND TURBINES

SHOULD THERE BE DESIGNATED AREAS/ZONING RESTRICTIONS FOR COMMERCIAL SOLAR/WIND?

WOULD YOU LIKE THE RIGHT TO PUT COMMERCIAL (UTILITY SCALED) SOLAR/WIND FACILITIES ON YOUR PROPERTY?
